INDEPENDENT AUDITOR'S REPORT

To the Members of Youth Central Society

We have audited the accompanying financial statements of Youth Central Society, which comprise the statement of financial position as at October 31, 2014 and the statements of revenues and expenditures, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

YOUTH CENTRAL SOCIETY
Notes to Financial Statements
Year Ended October 31, 2014

1. BASIS OF PRESENTATION

Youth Central Society ("the Society") is incorporated under the Societies' Act of Alberta. The Society's goal is to motivate all Calgarians, corporations, governments, community groups, schools, businesses and individuals to promote and deliver a better quality of life for Calgary's youth. The Society is a registered charity as defined under paragraph 149 of the Income Tax Act, and therefore, is not subject to income tax.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian Accounting Standards for Not-for-Profit Organizations (ASNFO).

Capital assets

Computer equipment	3 years	straight-line method
Furniture and fixtures	3 years	straight-line method

Revenue recognition

The Society follows the restricted method of accounting for contributions.

Restricted contributions related to programs are recognized as revenue of the appropriate fund when received. Restricted contributions related to general operations are recognized as revenue of the General Fund in the year in which the related expenses are incurred.

Restricted contributions related to capital assets are recognized as the related capital assets are amortized.

Unrestricted contributions are recognized as revenue of the General Fund in the year in which the related expenses are incurred.

Financial instruments policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in income. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Donated materials and services

Donated materials and services are recorded in the financial statements at fair market value when fair market value can be reasonably estimated and the materials or services are used in the normal course of business and would otherwise have been purchased. During the year, no amounts were recorded for donated materials and services.

The Society's programs benefit from substantial services in the form of volunteer time, which is not recorded in the Society's financial statements, because of the difficulty of determining their fair value.

Measurement uncertainty

The preparation of financial statements in conformity with Canadian Accounting Standards for Not-for-Profit Organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the year. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the year in which they become known. Actual results could differ from these estimates.

3. FINANCIAL INSTRUMENTS

The Society's financial instruments consist of cash, accounts receivable, accounts payable and accrued liabilities. Unless otherwise noted, it is management's opinion that the Society is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

4. CAPITAL ASSETS

	Cost	Accumulated amortization	2014 Net book value	2013 Net book value

5. DEFERRED CONTRIBUTIONS

Deferred contributions represent contributions received in the current year that are designated specifically towards costs to be incurred in future years.

Restricted deferred contributions relate to funds that are designated for specific programs by the provider of said funds.

Capital asset deferred contributions relate to funds that are designated for the Society's capital assets.

Unrestricted amounts relate to funds that are not specifically directed towards restricted programs or the capital fund.
